Student Course Adjustment Period

Student original course selection changes must be made prior to the last day of school for students. No changes will be made for original course selection during the summer or September.

Student Schedule Adjustment Period

It is not always possible to give all students every course they originally requested. If you have a course in your schedule you did not originally request and want to make a change, please make an appointment to see your School Counselor the 2nd week of school. Courses that warrant a course level change may be warranted until mid-marking period second quarter if academic progress is in jeopardy. Parent conference, counselor, and administrative approval may be required.
